“The Island City”

Hello Friends, Neighbors and Business Owners!

Spring has sprung early this year, which means it is time to start fund raising for this year’s flower program! Donations from our community are vital to this program, which helps fill our parks, streets, and bridges with flowers each year. We continue to receive many compliments on our flowers, and hope to impress even more this year!

In the past we have been able to add self-watering hanging baskets, and large flower pots. This year our goal is to continue to unify the flower pots throughout the city.

The requested gift amount for a new plaque is \$75, and \$50 for a renewed plaque. Plaques are most often used to remember a loved one or advertise a business, but you can pick any message you prefer. Of course, every gift amount is appreciated, no amount is too small! Please send your donation by April 15th, to provide enough time to obtain and prepare the plaques for this season.

Your support is greatly appreciated!

Please return the bottom portion of this letter with your contribution.
