Hello Friends, Neighbors and Business Owners!

As spring approaches, we're all looking forward to the warmth and sunshine, and it's the perfect time to begin planning for this year's flower program! Your support has been crucial in filling our parks, streets, and bridges with vibrant flowers that continue to delight and inspire. Each year, we receive wonderful compliments about our flower displays, and we hope to make an even bigger impact this year.

In the past, we've been able to add beautiful self-watering hanging baskets and large flower pots. This year, we're focusing on unifying the design of flower pots across the city to create a cohesive and even more stunning visual experience.

We're incredibly grateful for the generosity of our community, and we would love to continue to honor our donors by showcasing their contributions. Every donation, big or small, helps bring beauty and joy to our public spaces.

Thank you for helping us bloom this spring!

Please send your donation by April 15th.

Your support is greatly appreciated!

Please return the bottom portion of this letter with your contribution.
